SUBJECT: Get Set for FSFN Enhancements – Unified Home Study

PURPOSE: The purpose of this memorandum is to provide a status on the Florida Safe Families Network (FSFN) enhancements scheduled to be implemented on June 15, 2018 so final preparations can be made locally to "Get Set" for the changes. These changes will significantly enhance the Unified Home Study to ensure that policy, practice and FSFN are aligned and to bring the Unified Home Study into alignment with the Title IV-E requirements.

BACKGROUND: In preparation for the enhancements to "go live" on June 15, 2018, there is a continuous effort to assess and achieve people readiness, system readiness and the implementation of a support plan. The following is a status on our readiness assessment:

PEOPLE READINESS: **On Target!** – All Regions report that staff are ready or plans are underway to finalize readiness activities prior to go-live.

SYSTEM READINESS: **Completed!** – FSFN User Acceptance Testing is complete.

SUPPORT READINESS: The following procedure and rules have been updated to align with the FSFN Enhancements:

Post-Deployment Support Readiness: **On Target!** – Post-deployment support will include daily calls for the two weeks following deployment to evaluate and respond to any issues. The support team will include members from the Office of Child Welfare Policy and Practice team, Office of Information Technology Services team, IBM team, Regional Points of Contact, and Community-Based Care Lead Agency (CBC) Points of Contact.
